

I have lived in Ipstones for most of my life. I am a former pupil of St Leonard's so the school holds a special place in my heart.

I studied for a level 3 Diploma in preschool practise and worked for several years at Tiny Tots. I then returned to studying and gained a level 3 teaching assistant certificate and began working at the school in 2005. In 2016 I gained HLTA status and I support the school, staff and children as best I can.

My hobbies include History, travelling, genealogy, crochet and crafts.
