

Hello, I'm Sue and I am the Co-Chair of Governors at St Leonard's. I'm married with two grown up children and have recently become a grandparent for the second time which is really lovely and very exciting. I love spending time with my family, walking and using our caravan to visit new places. I moved to Leek with my husband and then young family 28 years ago. I have recently retired from my post as Deputy Headteacher which I held for many years in a two form entry local First School, a role which I loved. I am passionate about Early Years education and was Early Years Coordinator for many years during this period. I have also been subject lead for maths, geography, ECO and PSHCE. I feel very lucky to be a governor of such a friendly and welcoming school!
