

My name is Eloise Crooks and I am the staff governor for St. Leonard's. I work at St. Leonard's as a teaching assistant.

I am local to the area as I grew up in the village Foxt and have always kept strong links with Ipstones. I have two daughters, Eliza who is 5 and attends St. Leonard's and Corah who is 1 and attends the local nursery Tiny Tots.

I joined the governors as I have a great belief and faith in moving the school forward with the times and giving it strong support in all areas.
