STORIES

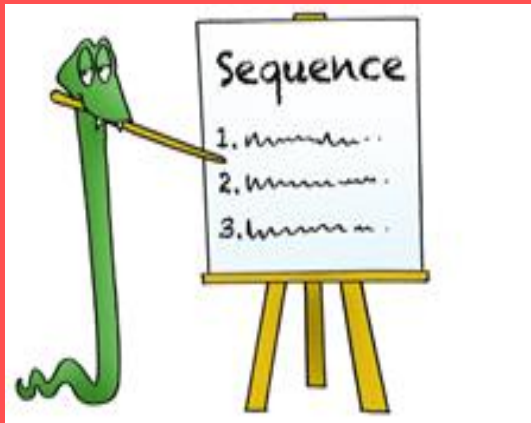

# Special story lessons with Sparks Class

# Watch the video story of Dick Whittington

What more can you learn about London in the past. Talk about it afterwards.

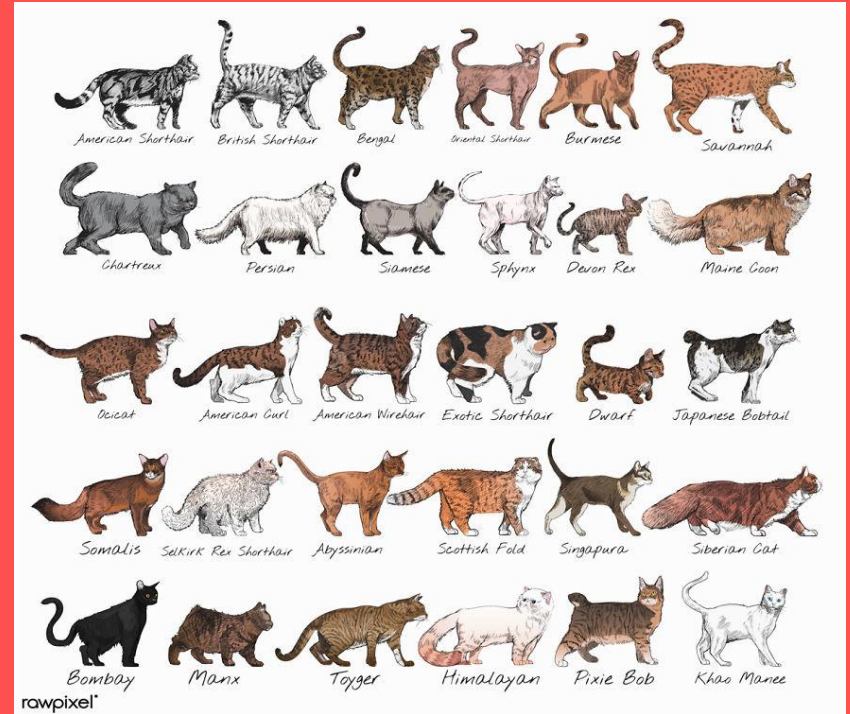

Can you sequence the pictures from the story. Can you tell the story? Perhaps you could make a video of you telling the story.

What sort of cat would you like to have if you were Dick Whittington?

I can find out about different cats.  
I can write a sentence about my cat.

Can you draw a picture of the ship  
that Dick's cat sailed on?

A different version of Dick Whittington for you to watch. A puppet show.

Do you notice any differences between the ladybird story and the puppet show? Is the story the same?
