Curiosity Tasks**

**Our topic is called
'sticks, stones and
bones'.**

**What is
this?**

This is called a fossil. To find out more about fossils watch the video on the next slide.

Curiosity Task 1

Be a fossil hunter!

If you are able to go on a walk in Ipstones then look on the map below and use the maps in your pack to help you find the location of a mysterious creature fossil that has been found just this week. X marks the spot. What do you think it might be? Can you find out? Can you make a sketch of the fossil.

Be a fossil hunter!
Which one of these fossils do you think it could be?
