

My name is Katie Leeson and I am a mum to Jacob, 5, Elijah, 4, and Matilda, 3 months. Jacob absolutely loves attending St Leonards and is doing fantastically. Elijah is excited to start in September and I am sure will succeed too.

Personally, I have worked in education for over ten years, teaching English Language and Literature to Key Stage 3, 4 and 5. Since becoming a mum, my focus has shifted somewhat but I still teach part-time and, more recently, I have become a GCSE examiner.

I have joined the governors because I am passionate about education and feel that I am able to support our school and the local community.
