What is the painting?

Story time by Michael Orwick

What Michael says about his painting:

“This is a painting of my daughter who just loves dragons. The story of Story Time is she is reading a book about a “brave” knight who slays the dragon which is a very scary book for her friend.

My favourite part of this painting is the little girls drawing of her family taped to the wall.”

Learning journey

- I can create an image from observation.

Today you are going to study the artwork of illustrator 'Axel Scheffler'. Famous for the illustrations in Julia Donaldson's books that we all love.
