

I have been the Headteacher at St Leonard's since March 2015. I am lucky enough to be leading this wonderful school into the future. I am very passionate about creative teaching and learning and making every minute count for our pupils.

I have a specialist interest in the Early Years and am currently Chairperson of our local Tiny Tots nursery. I have four children.

When I am not at school I love spending time with my family, being in the outdoors and visiting new places.
