

I have been teaching here at St Leonard's First School for fifteen years and I have been the Headteacher since March 2015. I am now lucky enough to be leading this wonderful school into the future. I am very passionate about creative teaching and learning and making every minute count for our pupils.

I have a specialist interest in the Early Years and am currently Chairperson of our local Tiny Tots Nursery. I am married and have four children. Willow and Luca attend St Leonards, Nellwyn attends Churnet View Middle school and Rosanna attends our Tiny Tots Nursery. I can't think of a more special and nurturing place for my own children to be educated.

When I am not in school I love spending time with my family, being in the outdoors and visiting new places.
