

**Daily Handwriting  
with Sparks Class**

# Set 1: c,a,d,g,q

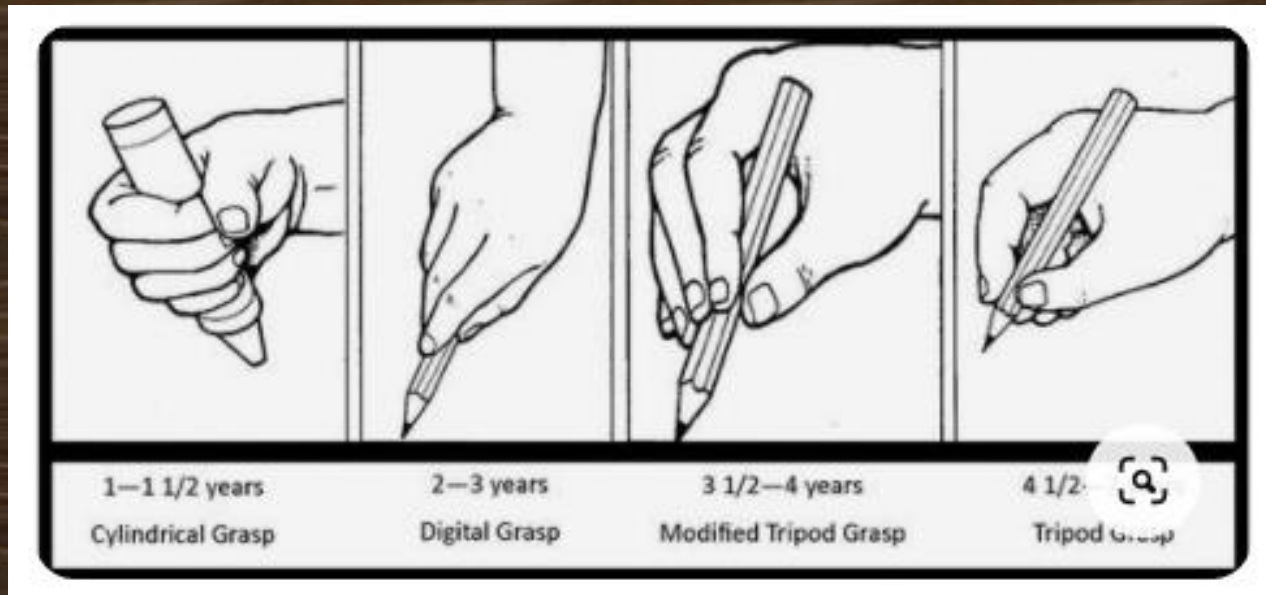

Try these finger exercises to get ready  
for writing....

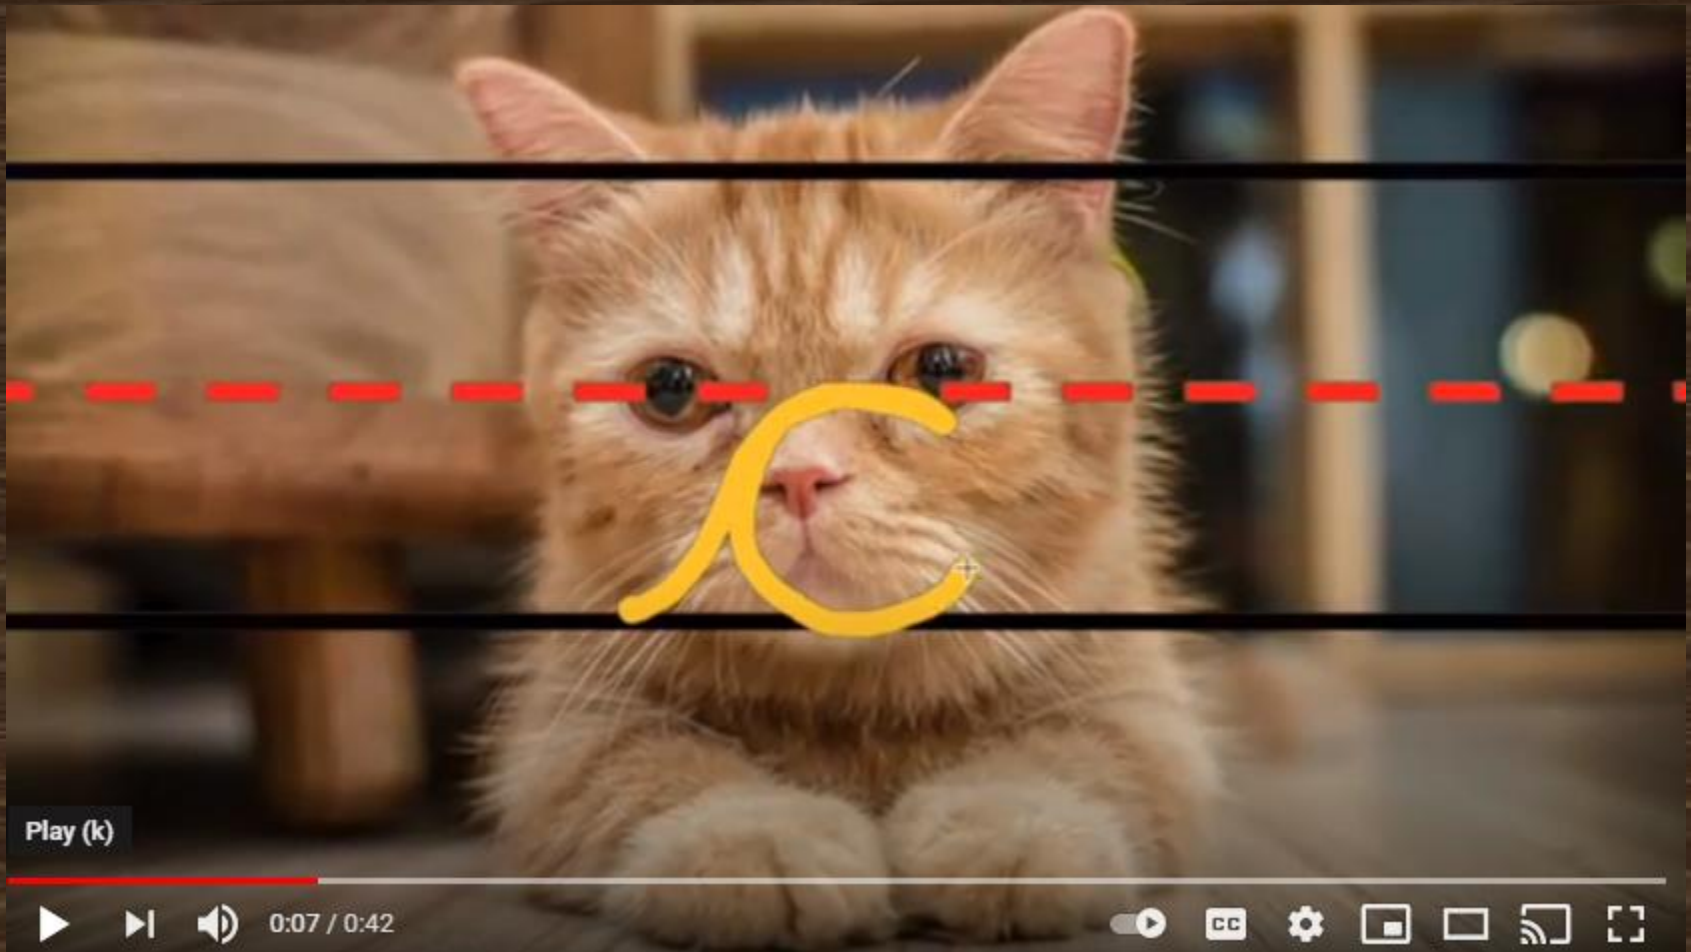

# Pencil grip

Make sure your child continues to use the tripod grip whilst at home. The ring finger and the smallest finger shouldn't be used to grip the pencil.

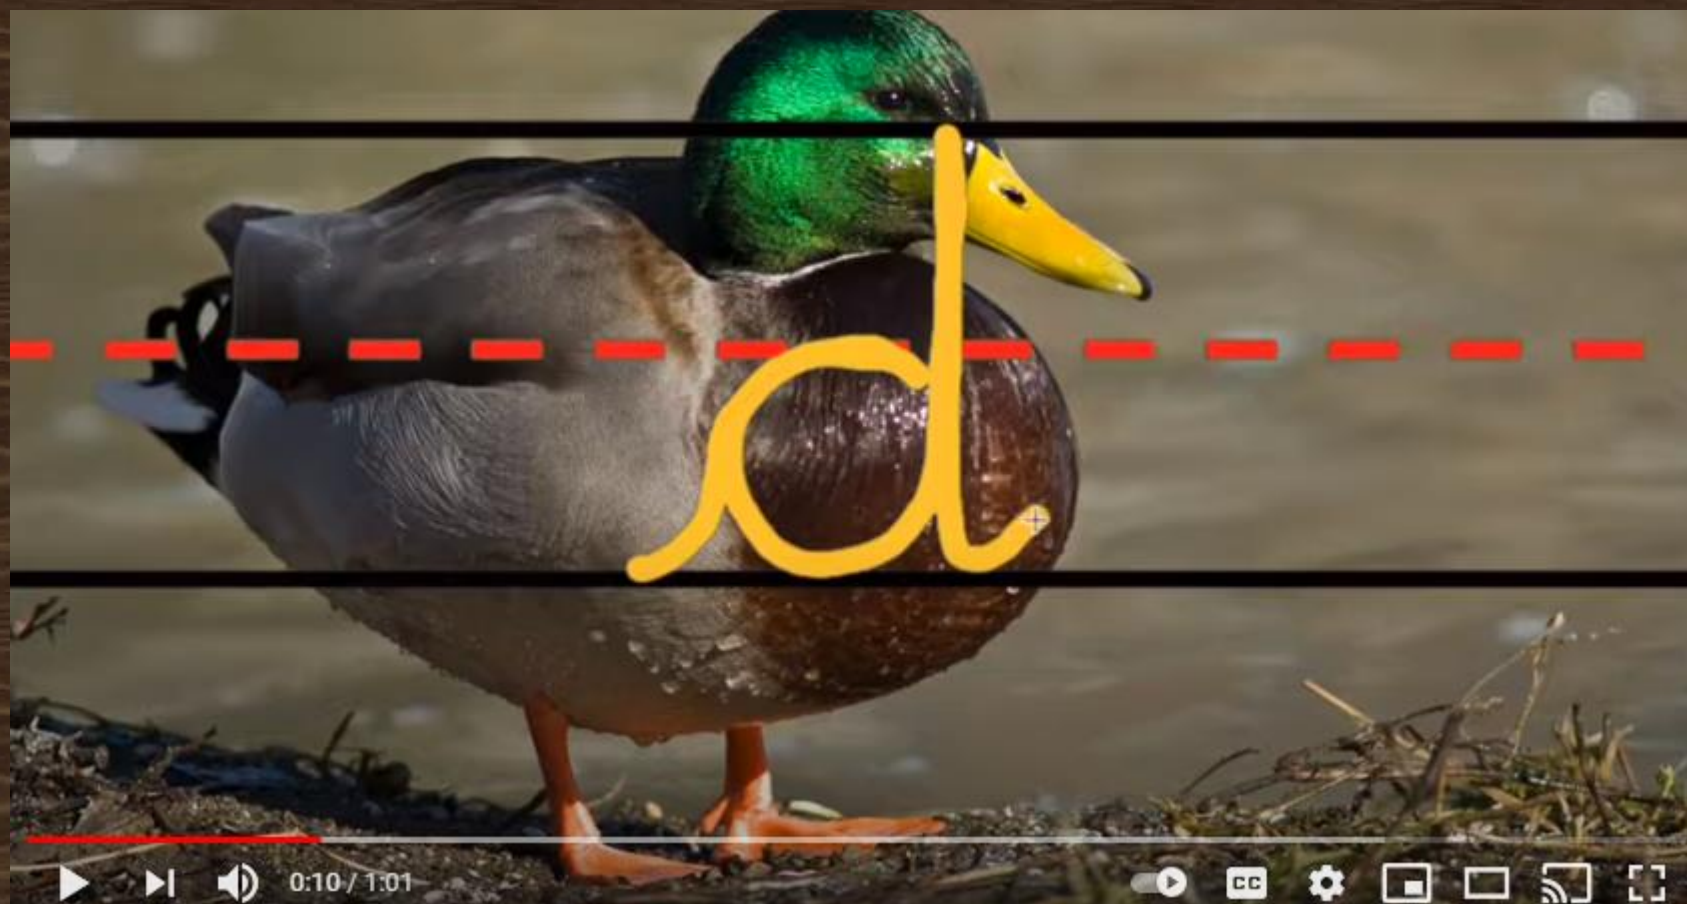

Start with the first video learning to write a cursive 'c'. When you can do this move on to the next letter and so on. All of the letters on this powerpoint are formed from the 'c'.

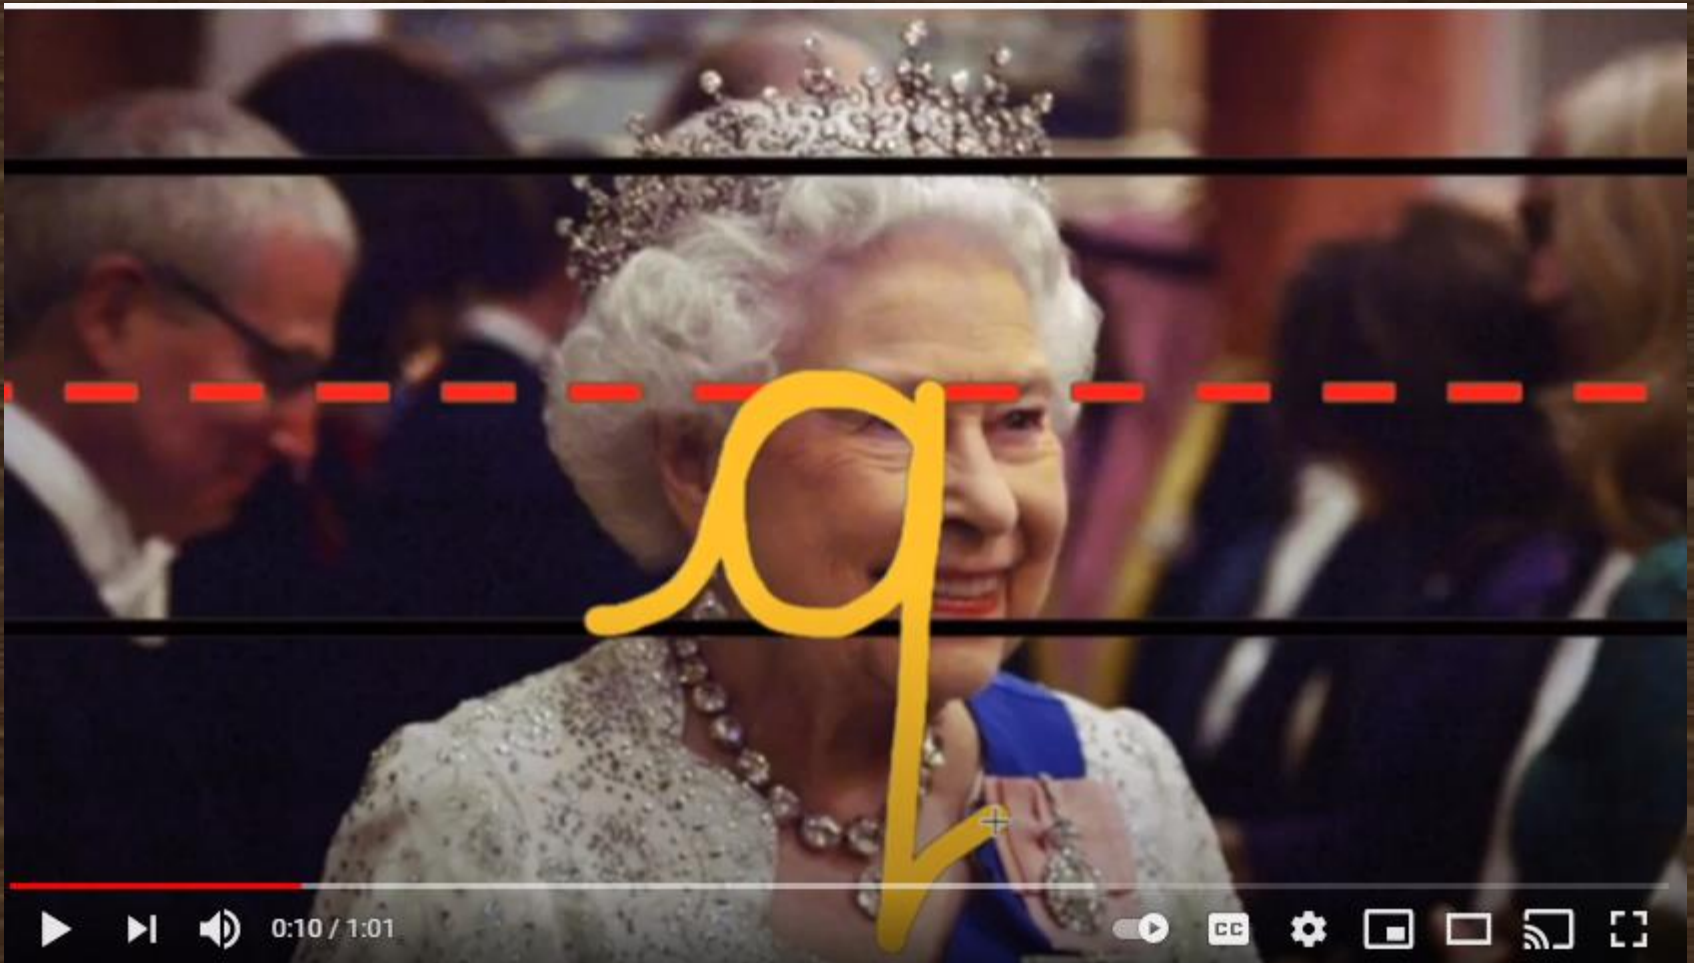

Watch this to learn more about the  
'air' trigraph with the alphablocks.

Watch this to learn more about the  
'air' trigraph with the alphablocks.

Don't forget to post your beautiful handwriting on see saw for me to see.  
When you can do these letters you can move onto the next set.
