Special story lessons with Sparks Class

This letter arrived in school today. Can you read it?

The family tree

Wild Wood

Ipstones

Dear children of Sparks class,

I hope that you can help us.

We have lost our stick man! He went out for a jog yesterday and hasn't come back.

We are missing him so much. Our family tree just isn't the same without him.

He might be cold and hungry. He is all alone.

Please could you help us to find him by making a poster to put up so everyone can keep a look out for him.

Thank you so much
