

# Mary Anning Paleontologist (and Time Traveller).

Join our teams meeting at 10am to meet Mary and ask her questions about her life and fossil discoveries.

# Before the meeting-

- Prepare a question that you would like to ask Mary.
- Think about the questions you thought of when using the portrait of Mary Anning as an historical resource.

# Duria Antiquior

- A more Ancient Dorset. Painted in 1830.
- By Henry De La Beche painted this and sold it to make some money for Mary and her mum who were having a very hard time as they were very poor.
- Your task is to draw and colour or paint your own version of this painting.
- Include the species that Mary found fossils of , Dimorphodon, Plesiosaurs, Ichthyosaurs, ammonites, belemnites and crocodiles.
